On or before October 15th of the calendar year preceding the calendar year, which this Agreement expires, the Association and the Board shall exchange in writing all changes and modifications of this Agreement proposed by both parties. Any proposal not submitted by either party by October 15th of said calendar year shall not be a subject for consideration or discussion during the negotiations to be thereafter conducted by the parties for the next ensuing period of employment.

B. Upon the exchange of proposals, the Board through its Superintendent of Schools shall arrange an initial meeting between representatives of the Board and representatives of the Association, through the President of the Association, which meeting date shall be fixed by mutual agreement, provided, however, that said initial meeting shall be held not later than November 15th of said calendar year.

C. In Article I herein, the Board has recognized the Association as the exclusive representative for purposes of collective negotiations concerning the terms and conditions of employment for the personnel under contract with the Board as therein specifically enumerated, and any change or modification to this Agreement, or any new agreement so negotiated, shall apply to all employees of the Board as enumerated in Article I. ARTICLE III
GRIEVANCE PROCEDURE

A. A "grievance" is a claim by an employee, a group of employees, or the Association, based on the interpretation, application or violation of the policies, agreements, or administrative decisions affecting them. In no event shall a grievance so defined be subject to the arbitration level of the grievance procedures as set forth herein. Only those grievances involving claims by employees, groups of employees, and/or the Association which are confined to and based upon an alleged violation, misinterpretation or misapplication to the express provisions of this Agreement shall be subject to the arbitration level of the grievance procedure as set forth herein. The term "grievance" and the grievance procedure established herein shall not apply to the following matters:

1. Any matter for which another method of review is prescribed by law or by any rule or regulation of the New Jersey State Department of Education;
2. Any matter in which the Board is without authority to act;
3. Any matter which, according to law, is exclusively within the discretion of the Board;
4. Any complaint arising out of the non-reappointment or non-renewal of a non-tenured teacher or secretary; as well as the non-reappointment or non-renewal of a probationary custodian/matron/maintenance or grounds employee.
5. Any complaint concerning an appointment to, lack of appointment to, assignment or re-assignment to any position:
6. Any complaint concerning the contents of a written evaluation of any employee conducted in accordance with Board policy.

B. The purpose of this procedure is to secure equitable and proper solutions to grievances at the lowest possible level. The parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. General Procedures.

1. In order for a grievance to be considered under this procedure, the grievance must be initiated within thirty (30) days from the date on which the grievant knew or should have known of the event giving rise to the grievance.

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to mean acceptance of the decision at that step.

3. All grievants shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

4. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in a personnel file of any of the participants.

5. The forms to be used for filing grievances and requests for review are attached to this Agreement in "Schedule A".

6. No reprisals at any time shall be taken against any staff members because of participation in the processing of a grievance in accordance with this procedure.

7. "Class Action" grievances involving employees assigned to more than one building and which are beyond the authority or jurisdiction of an individual building principal or immediate supervisor to resolve, and where the Superintendent agrees that the matter cannot be resolved by a building principal or immediate supervisor, may be initiated at Level II of the grievance procedure as set forth in this Article.

8. Time limits set forth in this procedure in terms of "school days" shall be calculated in terms of "calendar days" for any grievance initiated within thirty (30) days of the end of the school year as defined by the school calendar. Such grievance shall continue to be processed following the close of the school year.

9. The grievant shall furnish the Association copies of all forma grievances and requests for review filed.

D. Representation. Any grievant may, at his option, be represented at any step of the grievance procedure by himself, a representative selectee or approved by the Association and/or by a representative of his own choosing.

E. Attendance at Proceedings. The Superintendent and the Board of Education may require the attendance at any grievance hearing of any staff member or administrator who is believed to possess information relevant to a determination of the grievance.

F. Level I.

1. Prior to the initiation of a formal grievance, the grievant shall meet with the building principal or his immediate supervisor to advise of the extent of a problem which may become a grievance, to review the problem informally and seek solution. If an acceptable informal solution has not been obtained within six (6) school days after the initial meeting, a formal grievance may be initiated.

2. A grievance shall be initiated by the filing of a formal written grievance within eight (8) school days of the initial informal meeting. The grievance shall specify:

- (a) The nature of the grievance;
- (b) The nature and extent of the injury, loss or inconvenience;
- (c) Whether or not the grievant desires a hearing;
- (d) The nature of the grievant's dissatisfaction with any decision previously rendered;
- (e) The remedy which the employee seeks;

If the grievant fails to request a hearing, the right to a hearing shall be waived, provided, however, that if the hearing is waived the building principal may, at his discretion, request an informal meeting to obtain any information he deems necessary to a disposition. The building principal shall render a written decision on the grievance within four (4) school days from receipt.

G. Level II. If the grievant is not satisfied with the disposition of the grievance at Level I or if no decision has been rendered within the time limits, then the grievant may advance the grievance to Level II by filing it with the Superintendent or his designee within nine (9) school days of the Level I disposition. The grievance filing at Level II shall include:

- (a) The original statement of grievance;
- (b) A copy of the Level I decision and any documentation accompanying that decision;
- (c) A statement of reasons for dissatisfaction with the Level I decision;
- (d) Whether or not the grievant desires a hearing.

2. Failure to request a hearing shall be deemed a waiver of the right to a hearing; provided, however, that if the hearing is waived, the Superintendent or designee may request an informal meeting to obtain any information he deems necessary to a disposition of the grievance.

3. The Superintendent of Schools or his designee shall render a written decision on the grievance within nine (9) school days from the receipt of grievance.

H. Level III If the grievant is not satisfied with the disposition of the grievance at Level II, or if no decision has been rendered at Level II within nine (9) school days from the filing of the grievance, the grievant may advance the grievance to Level III by filing a written request for review by the Board of Education within four (4) school days of the Level II disposition.

1. Requests for review shall be submitted to the Superintendent of Schools who shall forward the request along with all related decisions and documentation to the Board of Education.

2. The Board of Education shall, at its option, determine whether there will be a hearing in the matter.

3. The Board of Education shall render a written decision on the grievance within twenty-eight (28) school days of the written request for review.

I. Level IV. If the grievant is dissatisfied with the Level III disposition and only if the grievance is based upon an alleged violation, misinterpretation, or misapplication of the express provisions of this Agreement, the grievant may initiate a Demand for Arbitration within ten (10) school days of the receipt of the Level III disposition.

1. The parties may designate an Arbitrator by Agreement or utilize the procedures of the Public Employment Relations Committee for the selection of an Arbitrator.

2. The Arbitrator of a grievance under this Agreement shall be limited to issues submitted and shall consider nothing else. The Arbitrator shall have full and exclusive power to hear the issues submitted and make a final determination. The Arbitrator shall not have the right to add to, subtract from, or modify this Agreement in any manner whatsoever. Unless otherwise set forth in this Agreement, the Arbitrator's determination shall be binding on both parties.

3. The Arbitrator shall render his decision within thirty (30) days of the close of hearing. The Arbitrator's decision shall set forth his conclusions and the reasons therefore.

4. The parties shall share equally in the payment of the fees and expenses of the Arbitrator. All other costs connected with the grievance shall be borne by the party by which they were incurred.

5. Only grievances initiated after the execution of this Agreement shall be subject to Level IV determination. All grievances initiated prior to that time shall be governed by the grievance procedure of the predecessor Agreement.

ARTICLE IV EMPLOYEE RIGHTS

A. The parties hereto agree that all employees in the Long Branch School District shall have the right to freely organize, join and support the Association for the purpose of engaging in collective negotiations concerning the terms and conditions of their employment, and nothing contained herein shall be construed to deprive any employee in said School District of any rights now enjoyed by employees as conferred and guaranteed by the Constitution of the State of New Jersey and of the United States, and all duly enacted laws of the State of New Jersey pursuant thereto, including but not by way of limitations N.J.S.A. 34:13A- 1 et seq., commonly known as the New Jersey Employer-Employee Relations Act.

B. C. Any employee who is to be involuntarily transferred from one school building to another within the Long Branch School District shall be advised in writing of that transfer not less than thirty (30) days prior to the effective date thereof, except in cases of emergency requiring such transfer to be made effective less than thirty (30) days of that determination, in which event notice of such transfer shall be given in writing to the employee involved at the earliest practicable date.

D. Any teacher who desires a change in grade or subject assignment, or who wishes to be transferred to another school building within the school system, may submit an electronic form request for such change or transfer in writing to the Superintendent of Schools not later than May 1 of the school year immediately preceding the school year for which such change or transfer is requested. Said request as submitted shall contain the grade or subject to which assignment is desired, or the school or schools to which transfer is requested, the latter to be listed in order of the teacher's preference if more than one school is preferred by the teacher over present assignment, together with the reason for the request. Provided, however, that the Board, through the Superintendent of Schools, shall grant or deny such request and the submission thereof by a teacher shall not obligate the Board to accede thereto, and such decision by the Superintendent of Schools shall not be grievable pursuant to Article 3 herein. Further provided, that no teacher shall have the right to request a change to a grade or subject assignment in which that teacher has not been certified.

E. On or before September 30 of each year every employee shall be provided with a written statement of the amount of accumulated sick leave credited to that employee. Every employee shall be provided with a copy of the school calendar for the next ensuing year within ten (10) days after the Board has formally adopted said calendar.

F. Whenever any employee is required to appear before the Board of Education, or any committee or member thereof, concerning any matter which could adversely affect the continuation of that employee in his office, position of employment, or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a person of his own choosing present to advise and represent him during such meeting or interview.

1. The following guide for the administration of salaries for teacher as defined herein in the Long Branch Public Schools shall become effective September 1, 2010, September 1, 2011, and September 1, 2012. b. Courses of study must be approved in advance by the Superintendent of Schools, if salary credit is desired. Approval shall be requested by use of form "Request for Approval of Graduate Credit," which shall be initially filed with teacher's building principal. A copy of said form is annexed hereto and designated as "Schedules E (1) and E (2)".

c. A Bachelor's Degree must have been attained before a teacher will be considered for placement on that training level.

d. A Bachelor's Degree plus 30 graduate credits is a requisite for placement on that training level.

f. The Master's Degree plus 30 graduate credits or a Ph.D. is a requisite for placement on that level.

g. In establishing placement on the Guide, each teacher will be classified to years of training and teaching experience, as recorded in the Office of the Superintendent of Schools.

2. Election of the summer payment plan shall be made no later than June 30 of the preceding school year.

B. Evaluation

1. The parties hereto recognize the desire and responsibility of the Board to employ the best professional personnel available and, through a program of guidance, develop that personnel and the educational program in order that each pupil in the Long Branch School District be given the best opportunity modern educational practice can offer. To that end an Evaluative Guide as hereinafter set forth, is intended to stimulate good teaching through constructive analysis of each teacher's work, recognizing at all times that no teaching is either good or poor in an absolute sense.

2. Evaluative Conference

a. At least once every year, and in the case of teachers who have not established tenure, at least three times a year, after adequate observation throughout the interval since the previous evaluation, an appointment relative to teacher growth shall be arranged between the Evaluator and the Teacher.

b. At the beginning of the school year both the Teacher and the Evaluator shall receive a copy of his evaluation sheet, which is to be a guide in the continuing process of self-evaluation during the year. Subtopics, listed under each heading, are designed to serve as suggestions and are not to be considered as either eliminating other comment or requiring that comment to be made on all of these headings or subtopics. A date for conference shall be set at least two weeks in advance of each evaluation.

c. The Evaluator and the Teacher shall have filled out their respective copies of the Evaluative Guide prior to the conference, and at said conference they shall discuss their respective contents for the purpose of exchanging ideas which shall have better teaching as their main objective.

d. Understanding the possibility of differences of opinion arising in the course of such a conference, and with the intent of preserving the integrity of both Teacher and Evaluator in conducting said conference any such differences of opinion shall be noted by both Teacher and Evaluator at the bottom of each copy of the Evaluative Guide. The Evaluator shall retain his copy of the Evaluative Guide for each teacher on file in his office.

3. Evaluator's Report

a. Following the Evaluative Conference the Evaluator will prepare a concise report, in triplicate, with each copy to be signed by both the Evaluator and the Teacher involved. In signing said report, the Teacher shall have the opportunity to agree or disagree with the contents of said report, stating the reasons for such agreement or disagreement on each copy thereof. The original said report will immediately thereafter be forwarded to the office of the Superintendent of Schools, with one copy to be retained on file in the Evaluator's office and the third copy to be given to the Teacher involved. It is distinctly understood that the signature of the Teacher on said report attests only to the fact that both the Teacher and the Evaluator have read the contents of said evaluation report.

b. In the event that it becomes apparent in the judgment of the Evaluator that a renewal of a particular teacher's contract is in question, such judgment shall be clearly stated in the Evaluator's report and the Evaluator shall further state what steps or procedures have been undertaken to assist the Teacher to remedy the deficiencies or delinquencies involved.

c. Nothing herein shall prevent the Evaluator from forwarding additional information concerning the work of the teacher as he may deem necessary to the Superintendent of Schools, provided that said Evaluator shall have first discussed the problems concerned with respect to said information with particular Teacher involved. Provided, however, that where such information shall constitute a complaint by an Evaluator against a Teacher, a copy hereof shall be first provided to the Teacher involved.

4. Existing Policy of Teacher Evaluation to be preserved. RE: S-548-Sick Leave Bank

Pursuant to the November 9, 2009 negotiation's meeting, both parties agreed to establish a sick leave bank as defined by S-548. The purpose of the sick leave bank shall be to enable school employees who are entitled to sick leave to draw additional needed days of sick leave. The sick leave days are days previously donated to the bank by other school employees. Employees may donate sick leave days or any other leave time as agreed upon by the board and the majority representative. Sick leave drawn from the bank is treated as accrued sick leave time of the employee who receives it. No employee is required to participate in the bank.

The sick leave bank shall be administered by a committee comprised of three members selected by the board of education and three members selected by the Long Branch School Employees Association. The committee shall establish standards or procedures for the operation of the sick leave bank. No day of leave donated to a sick leave bank by an employee shall be drawn by that employee or any other employee from the sick leave bank unless authorized by the committee in order to provide sick leave.

On behalf of the Board, please fax a signed copy of this memo to confirm your agreement with these terms. Upon receipt of the same, the LBSEA shall complete the ratification of the 2010-2013 collective bargaining agreement. Thank you for your time and cooperation.
